The 2nd Annual Regional High School Student Show features the talent of our region's teen artists. High school students from across the St. Charles - St. Louis region were invited to submit to this juried, all-media exhibition with the unique opportunity to exhibit their work in a professional gallery setting.

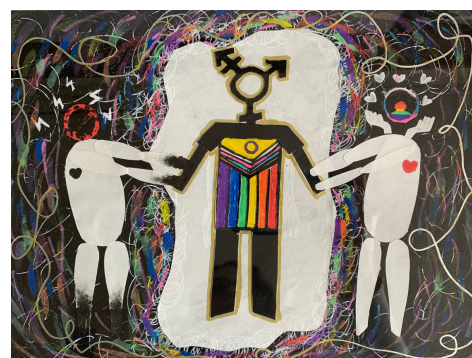

Accepted works were curated by the Foundry Art Centre's director of exhibitions, Jessica Mannisi, and judged for awards by Jared Minnick, a regional professional artist and owner of 31art gallery. Select awards were chosen by award sponsors.

Award Sponsors: Blick Art Materials, The Bev Roy Hope Foundation, Mayor Dan Borgmeyer, Zack Smithey, Historic Frenchtown Association, Cozy Shop, Remington's Balloons, Foundry Studio Artists, & Local 636

The importance of exhibiting teen artwork cannot be overstated. Not only is it a chance to celebrate talent and creativity, but these exhibitions also open doors for important conversations, inspire future generations, and create a more artistically vibrant community.

Teenagers have a unique viewpoint on the world, sparking important conversations about social issues, cultural trends, and experiences that might not be at the forefront of adults' minds. Viewers can engage with the artwork, creating a platform for open dialogue between teens and adults, bridging a generational gap and foster mutual understanding.

As a community, it is vital that we validate these artistic voices and acknowledge that teens' ideas and perspectives matter.

Please see Front Desk for artwork purchase inquiries.
